Round 3: Stroke Play

Round 4: Match Play Knockout

- The top eight players at the conclusion of Round 3 will be automatically seeded through to the 2nd round of match play. Any ties for the top eight seeded players will be decided by card playoff (countback) as follows:
 - (i) Best Round 3 score; then
 - (ii) Best scores on the last 9, 6, 3, 1 holes of the course in Round 3; then
 - (iii) Card match play starting at the first hole of the course based on Round 3 scores
- The remaining 16 players (those in positions 9 – 24) will be randomly paired and will play the first round of match play. The eight winners from those matches will advance to play the eight seeds in the second round of match play;
- Match play knockout format continues until a final with two players. The losing semi-finalists and quarter finalists will also play off for positions three to eight;
- All knockout matches will be played over six holes of Lake Karrinyup being the: 1st hole (par 4), 2nd hole (par 4), 8th hole (par 3), 11th hole (par 5), 12th hole (par 3), 18th hole (par 4). (The committee reserve the right to change the holes used at any time prior to the knock out rounds).
- Any matches tied after the six holes will proceed to the 'shootout' hole where a hole-by-hole play-off will be used to determine the winner. The player with the honour will be determined by toss of a coin or similar. The shootout hole utilises the existing 18th green played from a new tee box located approx 80-90 metres from the green on the right hand side of the 18th fairway.
